

Call for Paper

Aim & Scope

The Journal of Dentomaxillofacial Radiology, Pathology and Surgery (3DJ) which is accredited by the Ministry of Health and Medical Education, commission of medical Journals. It is provided quarterly in printed or web based format by Vice Chancellor of Research, Guilan University of Medical Sciences (GUMS). The issues are published in English to make a broad professional context in 3 mentioned fields of dentistry and possible interactions with other specialties and sciences in this regard.

This journal brings together works in the fields of Dentomaxillofacial and related sciences covering original article, book review, case and technical report, systemic reviews, letter to editor and short communication.

This is a forum for collaboration of experience and knowledge in wide spectrum of dentomaxillofacial diagnosis and treatment planning. The readers are dentist, dental and medical specialists who deal with maxillofacial diseases.

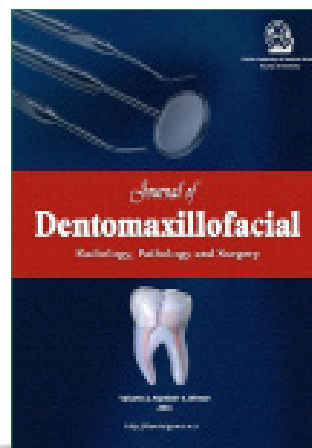

Financial Policies

Guilan University of Medical Sciences has supported all of the publishing costs of Journal of Dentomaxillofacial Radiology, Pathology and Surgery, article processing charge and any other publication fees in the journal are free for authors.

Policies of Peer Review

Journal of Dentomaxillofacial Radiology, Pathology and Surgery is committed to apply double-blind peer reviewing process, based on the COPE's Code of Conduct and Best Practices and ICMJE's Recommendations for the Conduct, Reporting, Editing and Publication of Scholarly Work in Medical Journals.
